August 13, 2018

SUTTER CREEK - EUREKA STREET

Beginning 10:00 PM Thursday, August 23rd, 2018 the ingress and egress to your home will be interrupted to facilitate the repair of a raw water main in the street. **THE WATER SUPPLY TO YOUR HOME WILL NOT BE AFFECTED**, however access to and from your home will be impacted as this repair will take place in the middle of the street. AWA is working closely with Sutter Creek Fire to ensure emergency response, if needed, will not be interrupted. This work should be completed by 5:00 am Friday morning.

We understand the inconvenience to you and your family and we greatly appreciate your cooperation. The benefits of this work effort will far outweigh the inconvenience once completed. However, if this time frame is un-workable for you please contact me as soon as possible at 209-257-5284, or email at dwyckoff@amadorwater.org and we will make every effort to accommodate you. You can also check out our website at www.amadorwater.org and our Amador Water Agency Facebook page for updates during and after the shutdown.

Sincerely,

Damon Wyckoff
