ii. The customer demonstrates that he or she is financially unable to pay for residential service within the urban and community water system's normal billing cycle. The customer shall be deemed financially unable to pay for residential service within the urban and community water system's normal billing cycle if (1) any member of the customer's household is a current recipient of CalWORKs, CalFresh, general assistance, Medi-Cal, Supplemental Security Income/State Supplementary Payment Program, or California Special Supplemental Nutrition Program for Women, Infants, and Children, or (2) the customer declares that the household's annual income is less than 200 percent of the federal poverty level.

Ordinarily, the Payment Arrangement offered should result in payment of any remaining outstanding balance within 12 months. The Agency may grant a longer payment period if it finds the longer period is necessary to avoid undue hardship to the customer based on the circumstances of the individual case. The Agency may charge an administrative fee for the cost of administering Payment Arrangements under this provision. The General Manager, or his or her designee, is authorized to prepare and approve a Payment Arrangement Agreement with a customer consistent with this Section 4.

c. Customer Obligations. If the Agency and customer enter into a Payment Arrangement under this Section 4, the customer shall comply with the agreement or other arrangement and remain current on any new water service charges as they are billed in each subsequent billing period. The customer may not request further amortization or reduction of any unpaid charges on subsequent bills while paying delinquent charges under an alternative payment arrangement. Commencing on the date the first payment arrangement is entered into, customers who fail to comply with any agreed payment arrangement will not be eligible to establish future payment arrangements for a period of 24 months, except as otherwise prohibited by law.

c. Service to Occupants. The Agency is not required to make service available to the residential occupants unless each residential occupant agrees to the terms and conditions of Agency water service and meets the requirements of law and the Agency's ordinances, rules, regulations, and policies. The request for an appeal must be delivered to the Agency's office within the five-day period. For so long as the customer's appeal and any resulting investigation is pending, the Agency cannot disconnect water service to the customer.

c. Appeal Process.

i. Following receipt of a request for an appeal or review under subsections (a) or (b), above, the Agency's Customer Service Manager shall evaluate the request for review and supporting material provided by the customer and the information on file with the Agency concerning the water charges in question. Within 10 days after receipt of the customer's request for review, the Customer Service Manager shall render a decision as to the accuracy of the water charges set forth on the bill and shall provide the appealing customer with a brief written summary of the decision.

Prior to disconnection, the Agency shall provide the customer with the 10-Day Notice in accordance with Section 2(c), above. Water service will only be restored upon full payment of all outstanding water charges, penalties, interest, and any applicable reconnection charges.

iii. If the water charges in question are determined to be correct, the water charges are due and payable within three business days after receipt of the Customer Service Manager's decision. At the time the decision is rendered, the customer will be advised of the right to further appeal to the General Manager within 30 days of the date the account becomes delinquent, or within 10 days after receipt of the denial from the Customer Service Manager, whichever is later. The General Manager will issue a written determination within 15 days. If the General Manager denies the appeal, the customer may appeal before the Agency's Board of Directors. Any such appeal must be filed in writing within 10 business days after receipt of the General Manager's decision. The appeal hearing will occur at the next regular meeting of the Agency's Board of Directors, unless the customer and General Manager, or his or her designee, agree to a later date.

v. When a hearing before the Board of Directors is requested, the customer will be required to personally appear before the Board and present supporting material and reasons as to why the water charges on the bill in question are not accurate. The Board shall evaluate the evidence presented by the customer, as well as the information on file with the Agency concerning the water charges in question (including the General Manager's/designee's decision) and any staff presentation, and render a decision as to the accuracy of the charges. The Board's decision shall be final and binding.

If the revised charges remain unpaid for more than 60 calendar days after the corrected invoice is provided, water service will be disconnected, on the next regular working day after expiration of that period. The Agency shall provide the customer with the 10-Day Notice in accordance with Section 2(c), above.
